"Li Yang: Wake Up"

2006.1.10 - 2.26

Long March Independent Space, Beijing

One day one year... I went to join the Long March on the road, only it seemed I was by myself. I got so exhausted that I fell asleep in a huge auditorium. When I woke up; I thought that if there was only an alarm clock I could find everyone else...

From diary of my dreams, Li Yang
