CHEN TIANZHUO

A TIANZHUO CHEN FILM

PHILOSOPHY

A voice broke into my body, claiming to be the unique, true God in universe. He is real, good and complete to the highest level while human being is false, for they follow 365 lies. The night is late and befalls the daylight, I pray, one day, God approaches me and burns my body with his fire stick. Behold! Away goes my sin, and my sin is thus covered up. My pure body will serve as catalyst to make the unknown known and the unseen seen; those who reply to God's calling get ultimate salvation.

有一个声音闯入我的身体，他向我宣告唯有他才是宇宙间唯一真神，他真实不虚，至善完美，而人们是虚妄，因为他们跟随的是三百六十五个谎言。黑暗已深，白昼降至，我祈求，有一天，神来到我跟前（身边），手拿火炭，灼烧我的身躯，看呐，你的罪孽便除掉，你的罪恶就得赦免，如此我将以我纯洁的身体为引，让不可知的可知，让不可见的可见，蒙神感召的便得拯救。
